### World Book Day 2023

What a great day!

It was certainly 'Eggstra' special and 'Eggstra' engaging!

We know it was a bit different this year, but we wanted to come away from the pressure of buying or making character outfits due to the financial pressures on us all currently.

The egg (and spoon) characters created were wonderful; so much imagination, creativity and effort was put in by our children and their families. Clearly the time spent on this project, the talking, the making and the fun had a great impact on the day itself and hopefully will further develop the love for reading in our school community.

The behaviour of the children was impeccable as they moved around the classes in their teams to participate in exciting book related activities – a huge thank you must go to all of our adults in school who enabled this experience for our children.

It was lovely to see the interactions between the children from across age ranges and between family members.

### Non-Uniform Day Friday 10<sup>th</sup> March

All children are encouraged to come in non-uniform for the day and donate what families can towards the recovery for the victims of the earthquake in Turkey and Syria.

We look forward to hearing news of the towns impacted from Mr Aldogan.

Look out for further information.

We have enjoyed 3 fantastic days so far with Kirsty from The Rhubarb Theatre. Reception, Year 1 and Year 2 have all had a whole day immersed in a story. They have acted, sang, and danced their way in order to tell the stories.

All classes have also been involved in making the props and costumes for their shows. We have had lots of parents and carers watch the performances and from what we have overheard or been told; this has been a great success.

We hope that your children continue to remember and talk about the experience they have had.

Any feedback would be gratefully received, with a view to extending this type of experience in the future; what you or your child think. Please feel free to email the office for this purpose.

Next week it is the turn of Key Stage 2. We hope that you can join us.

Each show will begin at 2.50pm.

### Tag Rugby Festival

We were able to take a number of our Year 6 pupils to Lincoln to take part in some Tag Rugby training and tournament play.

As always we are very proud of our children; their behaviour, commitment and effort in all they do.

### Year 6 and Singstation

It has been such a busy week – the children had a wonderful experience at TGA taking part in a huge singing event.

Once again, we had great reports on behaviour and engagement – noticed by all the adults accompanying the children.

If you have any worries or concerns, or positive feedback, your first point of contact is your classteacher, but please bear in mind that drop off and pick up times are really busy.

If it is something urgent then email the office and the message will be passed on, or see a member of the senior leadership team on the gate as you leave, alternatively, contact the office to make an appointment.

You can also communicate with your class teacher via Seesaw, but once again please respect that they may not respond straight away, especially if this is after 'normal' working hours – whatever these are!

We would also welcome positive comments and compliments on what we are doing well.
