Academic Year 2022/23

11/11/2022

Thank you for your kind donations. We are holding our Remembrance Service in school on Monday 14th November.

Positive Noticing Day

Wednesday 16th November is our Positive Noticing day.

We will start the day by sharing positive comments our grown ups have made about us in our classes (we will send a strip of paper home for you to write something positive about your child that you have noticed in the last few days).

These will be made into a giant positivity paper chain to display in the hall.

Throughout the day the children will be encouraged to notice something positive about their peers in class, these will be written on labels and your child will come home with a positive note each.

We will post more information on Monday and send home the strips of paper so that they can be returned on Wednesday.

If you have any worries or concerns, or positive feedback, your first point of contact is your classteacher.

If it is something urgent then email the office and the message will be passed on, or see a member of the senior leadership team on the gate as you leave, alternatively, contact the office to make an appointment.

You can also communicate with your class teacher via Seesaw, but once again please respect that they may not respond straight away, especially if this is after 'normal' working hours – whatever these are!
