Academic Year 2022/23

13/01/2023

Belated Happy New Year to you all.

We hope that you had a good break from school and the normal daily routine. The children have returned to school brilliantly, focused, refreshed and ready to learn. We have been so impressed.

This week Years 4,5 and 6 have had workshops on how to recognise and deal with anxiety, delivered by the Mental Health Support Team. The children engaged well and actually, we feel our children are aware of the impact of worries and pressure and do show a good level of resilience – those who need some support know they can ask for help from a trusted adult.

This has linked well with the theme for this week's worship which was: 'Can I Cope.'

The big question explored was: 'Can you learn how to manage under pressure?'

We explored the passage from the Bible taken from Matthew 11:28 -30 'Come to me, all you that are weary and carrying heavy burdens, and I will give you rest. Take my yoke upon you, and learn from me; for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden light.'

If you have any worries or concerns, or positive feedback, your first point of contact is your classteacher.

If it is something urgent then email the office and the message will be passed on, or see a member of the senior leadership team on the gate as you leave, alternatively, contact the office to make an appointment.

You can also communicate with your class teacher via Seesaw, but once again please respect that they may not respond straight away, especially if this is after 'normal' working hours – whatever these are!
