Great Week

What a fabulous week!
It was lovely to be able to have the group photographs taken outside this year.

Y6 took part in a traffic trail around Gainsborough – this was to help prepare them for the transfer to secondary school and be aware of keeping themselves safe where the traffic is much busier than in Lea.

We caught the Stagecoach bus into town and back which was a first-time experience for some of our pupils. We did have the opportunity to look at some of the local history landmarks and plaques around Gainsborough – our town does have an incredible history. Needless to say, the pupils behaviour was impeccable.

Y5 took part in a transition workshop, led by Beth from MHST. They came up with some very thoughtful suggestions on how to deal with our worries moving into Y6; it was also interesting what the worries were.

Y5 went to Lincoln Cathedral on Thursday; they have been studying a variety of enquiry questions before the visit and the workshops addressed many of these and enhanced the children's knowledge and understanding – they were indeed very interested. Once again, behaviour was impeccable.

Today, each of the KS 2 classes took part in mini first aid sessions. We ran this last year and they were very well received so we felt it was something we want to repeat each year. From the parent survey regarding our curriculum, you highlighted this as an important learning experience for our children.

Wake Up Wednesday

Last week's guidance for parents was OmeTV and this week money muling – please ensure you are aware of the dangers.

Please see Parent Hub for the posters.

Sports Day

During the week of 19th June, the children will be taking part in a variety of sporting activities.

Activities planned are as follows:

Tuesday am: Clubbercise for KS2

Wednesday am: carousel of sports with our coaches and TAs

Friday: each class to have a session with Brad Wright – football

Please send your child IN their PE kit on Tuesday, Wednesday and Friday.

We will be holding a traditional sports day with races on **Tuesday 20th June** in the afternoon.

Parent/carers are welcome to join us from 1.15pm on the school field. The field gates and the back gate will be open from 1pm. They will be locked again at 1.15pm, if you arrive after this please go to the office and they will bring you to the field.

If the weather is suitable, we would like to invite you to bring a picnic for on the field after the event; this will be from 3.30-4.30pm.

FOLS will be providing refreshments throughout the afternoon if you would like to purchase anything.

School will provide an ice pole for all of the children during the afternoon; so please do not worry if you cannot attend the event.

For those who can not make the afternoon, school will finish at 3.30pm as normal.

If you have any worries or concerns, or positive feedback, your first point of contact is your classteacher, but please bear in mind that drop off and pick up times are really busy.

If it is something urgent then email the office and the message will be passed on, or see a member of the senior leadership team on the gate as you leave, alternatively, contact the office to make an appointment.

You can also communicate with your class teacher via Seesaw, but once again please respect that they may not respond straight away, especially if this is after 'normal' working hours – whatever these are!

We would also welcome positive comments and compliments on what we are doing well.
