Wake up Wednesday

Every Wednesday we will be posting on Facebook and sending a Parent Hub with the weekly information and guidance shared by the National Online Safety organisation. If appropriate we will also include the message in our Wednesday Collective Worship with the children.

We would urge all parent/carers to take notice of these notifications as the world of technology changes so quickly and there are many people out there who are continually trying to entice our children, in very clever ways, which may lead them to putting themselves in danger without realising.

We have also shared the link for a free online chat session with Dan Hawbrook who is LCC's online guru. He has delivered workshops to the children in school, he has an excellent knowledge and is very approachable. Please join this if you possibly can.

Tully Cup

This term we will be choosing pupils who have shown that they are:

'Being the best they can be.'

The Tully Cup was presented to:

5th May
Lucas Yr1 Noah Yr 4
12th May
Archie Rec Charlie S Yr 3
19th May
Connie Yr2 Dylan Yr5

If you have any worries or concerns, or positive feedback, your first point of contact is your classteacher, but please bear in mind that drop off and pick up times are really busy.

If it is something urgent then email the office and the message will be passed on, or see a member of the senior leadership team on the gate as you leave, alternatively, contact the office to make an appointment.

You can also communicate with your class teacher via Seesaw, but once again please respect that they may not respond straight away, especially if this is after 'normal' working hours – whatever these are!

We would also welcome positive comments and compliments on what we are doing well.
