What fabulous writers we have in Year 6; please read some of their beautiful prayers shared in Church at our Harvest Festival.

Dear God,

Thank you for food provided, without it, life would be dull and poor. Without our water sources, life would not be life.

So we are thankful, grateful, and respectful for everything that is given. Amen

Dear God,

Thank you for the world, food and drink and all the good deeds you do for us. Thank you for the seasons, leaves falling in autumn, snow falling in the winter, life in spring and flowers in the summer. Amen

Dear God,

Let us feel the warmth of your heart through the cold winters ahead, the warm summers of joy and the cool autumns. We thank you for everything, including the meals we eat and grow, our beautiful world and everything else. Amen

Dear God,

Thank you for all of our friends and family that we have today and for all of the food you give us along the way. We are so lucky that you are here for us and you always show your gracefulness. Amen

Dear God,

Thank you for the wonderful life you give and the food provided that helps us live.

Thank you for the morning autumn breeze and the cold winter snow.

Thank you for the water drops that fall off the leaves and the blazing sun that gives us light and the night time moon that lights up the sky.

Thank you for the people and all that you give and finally thank you for this wonderful world we live in.

Amen

Thank you to all of our families for their generous donations of food which will be re-distributed by The Salvation Army for those in need in our local area.

### FOLS

### Friends of Lea School

This group is our PTA and have over the years contributed hugely to our school community. Through the period of COVID we were unable to hold many events which has impacted on our fundraising as well as the opportunities to get together as a community.

We really would like to get up and running again with FOLS events, the children gain greatly from these events and it is a great way to get to know other families, make friends and make a real difference to our school.

Our current Chair person is willing to help, but her work commitments have vastly increased over the last two years.

We have several members who I know will continue to support and help, but we really do need more members to share the load.

We will let you know a date and time for a meeting, introductions and to gather your views.

### Thank you

The children have all come back to school ready to learn and settled – thank you to you all.

If you have any worries or concerns, or positive feedback, your first point of contact is your classteacher, but please bear in mind that drop off and pick up times are really busy. If it is something urgent then email the office and the message will be passed on, or see a member of the senior leadership team on the gate as you leave, alternatively, contact the office to make an appointment.

You can also communicate with your class teacher via Seesaw, but once again please respect that they may not respond straight away, especially if this is after 'normal' working hours – whatever these are!
