Storyteller

Many thanks to Rippon Homes for arranging a visit by Mark, a wonderful storyteller, who spent the afternoon with our children. The children were highly engaged and thoroughly enjoyed the stories Mark told.

Bikeability

The Year 5 pupils have had a great few days developing and practicing their cycling skills and learning how to be safe on their bikes out on the roads.

We are very proud of their attention, effort and progress they have all made this week.

We hope that your children continue to remember and talk about the experience they have had.

Any feedback would be gratefully received, with a view to extending this type of experience in the future; what do you or your child think?

Please feel free to email the office with your comments.

Parent Consultations

These are next week; we look forward to seeing you.

We will also be gathering parent views on our curriculum.

We would like to know from a parent perspective what skills and knowledge you would expect your child to leave our primary school with and the characteristics you feel are essential for the development of your child, to enable them to be the best they can be.

School Disco

Many thanks to the members of FOLS who enabled this event to go ahead.

The behaviour of the children was excellent and we think all enjoyed the time together.

Unfortunately, it has been brought to our attention that a very small minority of our neighbours as we had hoped regarding parking, especially those who chose to park on the grass island. We have received complaints from the residents regarding this.

Another more serious concern is the safety of the children and their families, especially after dark. Please remember that it is **your child or family member** who may be knocked over if proper care and sensible driving/parking is not happening.

We do realise that we have limited space and constantly remind parents to be respectful – for our next event we are considering our options to improve the situation.

Tully Cup

This term we will be choosing pupils who have shown that they are:

‘Being the best they can be.’

The Tully Cup was presented to:

17.03.23: Felicity Y6, Imogen Rec.

24.03.23: Emily Y3, Miya Y2

If you have any worries or concerns, or positive feedback, your first point of contact is your classteacher, but please bear in mind that drop off and pick up times are really busy.

If it is something urgent then email the office and the message will be passed on, or see a member of the senior leadership team on the gate as you leave, alternatively, contact the office to make an appointment.

You can also communicate with your class teacher via Seesaw, but once again please respect that they may not respond straight away, especially if this is after ‘normal’ working hours – whatever these are!

We would also welcome positive comments and compliments on what we are doing well.
