Busy times!

We have had a very busy few weeks. Our sports week last week was a great success – despite the rain on Tuesday!

The KS2 children really enjoyed the Clubbercise with Lucy Rutt. Please look out for her classes, she will be starting one at school in September on a Thursday evening – bookings need to be direct with Lucy. We will send a Parent Hub detailing this class.

On Wednesday the children took part in a carousel of activity led by our sports coaches and teaching assistants. As always it was fabulous to see the support the children give one another.

Also, on Wednesday our KS2 school council members went to Thorne King Edward Primary School in Doncaster with children from other schools to take part in the Kyra Ignite Sport event. We had a great time, and it was wonderful to mix with children from our nearby schools.

Friday was another action-packed day – Brad Wright delivered some sessions to Reception and KS1 in the morning which were thoroughly enjoyed by all; he was then an honorary race marker for our sports day in the afternoon. Please look out for the sports weeks run by Brad during holiday times, once again we will share via Parent Hub.

Sports day itself was very special – the first one since Covid for us due to the field being out of use last year. It did not disappoint – we were so proud of all the children, they all participated and had fun.

The competition was good and well natured. It was special having so many of the school community together, on our field, enjoying the sunshine and just being able to appreciate what we have got here.

Thank you to everyone who helped to make this so amazing.

Hoodwinked

What a show, what a great co-hort of pupils. They really did rise to the occasion. Excellent singing, acting and great comedy timing.

A huge thank you to all of the staff involved in putting on the production and to the children for shining!

Yr 6 have had their residential this week. Once again we are so proud of their resilience, determination and ability to face their worries and fears.

If you have any worries or concerns, or positive feedback, your first point of contact is your classteacher, but please bear in mind that drop off and pick up times are really busy.

If it is something urgent then email the office and the message will be passed on, or see a member of the senior leadership team on the gate as you leave, alternatively, contact the office to make an appointment.

You can also communicate with your class teacher via Seesaw, but once again please respect that they may not respond straight away, especially if this is after 'normal' working hours – whatever these are!

We would also welcome positive comments and compliments on what we are doing well.
