Academic Year 2019/2020

It has been a tough week for many, with the change in weather and the children are starting to miss seeing and talking to their friends. Please find ways for your children to keep in touch with each other safely – sometimes hearing a familiar voice really lifts the spirits.

School is open everyday for those children of Critical Workers, who can not safely look after their children at home during this time and any children who are vulnerable. Please contact Mrs Woolley or Mrs Kirby via email over the next weeks if your situation changes and you require child care for the reason given by the government.

Local Foodbanks Emergency Food

Food banks provide a minimum of three days' emergency food and support to people in crisis

Food banks work with frontline professionals to identify people in need and issue them with a food bank voucher.

These include local agencies such as children's centres, housing associations, advice charities and mental health teams, who are best placed to assess need.

Once a person is referred, they can bring the voucher to their nearest food bank centre, where it can be exchanged for a parcel containing a minimum of three days' nutritionally balanced food.

Food banks are designed to provide short-term, emergency support with food during a crisis. Their aim is to relieve the immediate pressure of the crisis by providing food, while also providing additional support to help people resolve the crises that they face.

Contact either by telephone or email and explain your situation. The food bank will be able to tell you which referral agencies they work with in your area and how you can get a voucher.

Seesaw

Please continue to access the learning on Seesaw. It is wonderful being able to keep in touch this way and we are certain that the children are enjoying the feedback they are receiving from their class teachers. Just do what you can, there is no pressure to complete all of the work and you may have days where it just is not possible, for whatever reason.

These are, as we all keep saying, unprecedented times for us all, there is no right or wrong, we just do what we feel is best for our families and communities.

Above all Stay Safe and Be Kind.

For next week I have asked the teachers to post work about VE Day. If you have various aged children this is perhaps a project that they can do together.

Perhaps you could post a family picture or a video on Friday showing how you are celebrating this special day using the Seesaw App.

We are looking to see if there is a way that we could share this with the whole class so the children can see one another.

Clearly, if you do not wish your picture or video to be shared with your class, let us know.

A Christian Perspective on Forgiveness:

Forgiveness is the means by which damaged relationships are restored. It is an act of will, motivated by love.

For Christians, Jesus' death on a cross is the ultimate revelation of God's all forgiving love, and his sacrifice stands as a source of inspirations to forgive others, no matter the cost.

Next week's assembly will be about being forgiven and starting again.

Thank you to all those children who posted their responses to last Monday's assembly.

Tully Cup winners this week.

We have received new guidance from the Government which needs to be followed from September 2020. This will mean our policy needs changing in light of this. In the next few weeks I will share information with you via Parent Hub and you will have the opportunity to make your view known, so that we can work together with governors and staff to meet the requirements and to ensure that our curriculum meets the needs of all of our pupils.
