Academic Year 2019/2020

05/06/2020

1st June Re-opening

We have welcomed a few more children back this week and we will have the same children in next week. So far, all has gone well, our cleaning regime is in place, the teaching teams have established good relationships in the bubbles and the children are coping very well with only being allowed to play and work in certain areas in school. The younger ones are finding the social distancing at break times challenging.

Thank you to all for abiding by our new rules for dropping off and picking up your children, we realise at times that it may seem that we are being over cautious, but this is the way staff and Governors have agreed it is the safest for us all.

If any of our parent/carers choose not to follow the new Home School Agreement, which you receive once we have allocated your child a place, we do have the right to refuse a place for the child.

As we are now at our capacity for school places we are unable to take any more requests for eligible children returning to school. Changes in government guidelines are the only way we can accept any more.

Parent/carers of pupils who are currently attending do not need to contact us again. However, you must let us know if your child does not attend school on the day we expect them.

We realise that you have lots of questions and the situation is ever changing and as a result our protocols and risk assessment are ever changing, but we will continue to

work with Governors and share any changes with you.

Please refer back to the parent letter FAQ letter which was sent via Parent Hub on 22nd May before ringing the office to ask specific questions about your child possibly returning to school.

Summer Holidays

We have had a few enquiries about childcare provision over the Summer Holidays, we are **NOT** offering this facility.

Seesaw

Please continue to access the learning on Seesaw. It is wonderful being able to keep in touch this way and we are certain that the children are enjoying the feedback they are receiving from their class teachers.

Just do what you can, there is no pressure to complete all of the work and you may have days where it just is not possible, for whatever reason.

These are, as we all keep saying, unprecedented times for us all, there is no right or wrong, we just do what we feel is best for our families and communities.

Above all Stay Safe and Be Kind.

The value this term - Justice

A Christian Perspective on Justice:

The justice revealed in the Bible is always seen in the context of love. It includes the call to take responsibility for one another, especially the poor and the oppressed, and to see that no-one is excluded from the essentials of life.

Please see the assembly on Monday.

Home Learning

Here is some of the work the children have been doing.

Reception

Jack made a snail shell after reading *The Snail and the Whale*

Harley - Spiral painting after reading *The Snail and the Whale*

Year 1

Louis – Science experiment celery and food colouring
