Academic Year 2019/2020

12/06/2020

A wonderful poem from the year 6 pupils in school, in response to our value of Justice:

*I have a dream that everyone will unite together,  
Where everyone can shine like a mighty rainbow in the sky.*

*I have a dream where one day a wave of love and care will flow over the world making everyone forget their differences,  
A place where peoples' unique characters can be celebrated rather than punished.*

*I have a dream where everyone will stand hand in hand and look back,  
What fools some people have been by judging a book by its cover.*

*I have a dream that love will flourish from all the pain and suffering in the world,  
Like a flower bursting into bloom after the cold hard winter.*

### The value this term - Justice

A Christian Perspective on Justice:  
The justice revealed in the Bible is always seen in the context of love. It includes the call to take responsibility for one another, especially the poor and the oppressed, and to see that no-one is excluded from the essentials of life.

Please see the assembly on Monday.

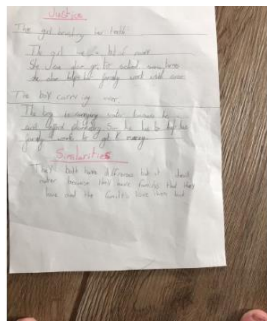

### Tully Cup winners this week.

Ethan and Autumn-Grace for their combined poster and recording based on the Assembly.

Felicity- in her recording, Felicity explained her view point really well.

'Both have differences, but both have families they love and families who love them back.'

### Places at School

If you are a Key Worker or are eligible for a place due to being vulnerable, please contact the office directly to see if we may be able to accommodate you as some of our Key Worker places are part time.

If we can possibly offer a place or support, we will do so.  
We do still require 7 school days' notice.

Currently we cannot provide a school place for any more children from Reception, Year 1 or Year 6 due to the physical space available in classrooms.

### Seesaw

Please continue to access the learning on Seesaw. It is wonderful being able to keep in touch this way and we are certain that the children are enjoying the feedback they are receiving from their class teachers.

Just do what you can, there is no pressure to complete all of the work and you may have days where it just is not possible, for whatever reason.

These are, as we all keep saying, unprecedented times for us all, there is no right or wrong, we just do what we feel is best for our families and communities.

Above all Stay Safe and Be Kind.

### Home Learning

It's been sports day this week!  
It looks like you have all been having lots of fun. It is great to see that some of you have been able to get together safely, abiding by all social distancing rules, in order to complete the activities.
