Academic Year 2019/2020

19/06/2020

We hope that you are all well.
We continue to do the very best we can in these uncertain times.

Key Stage 2

I have asked all of Key Stage 2 pupils to engage with 'The Survival Guide to Change' over the next few weeks.

We really feel that this will benefit children and adults in adapting to the change and to understand how we are all feeling. Please contact the office if you would like a copy of the workbook printing.

Places at School

Currently we are full and cannot provide a school place for any more children from Reception, Year 1 or Year 6.

If you are a Key Worker or are eligible for a place due to being vulnerable, please contact the office directly so we can support in finding a place elsewhere, or some of our Key Worker places are part time and we may be able to accommodate due to this fact. Each request will be considered on its own merit and if we can possibly offer a place or support, we will do so. We do still require 7 school days' notice.

Seesaw

Please continue to access the learning on Seesaw. It is wonderful being able to keep in touch this way and we are certain that the children are enjoying the feedback they are receiving from their class teachers.

Just do what you can, there is no pressure to complete all of the work and you may have days where it just is not possible, for whatever reason.

These are, as we all keep saying, unprecedented times for us all, there is no right or wrong, we just do what we feel is best for our families and communities.

Above all Stay Safe and Be Kind.

The value this term - Justice

A Christian Perspective on Justice:

The justice revealed in the Bible is always seen in the context of love. It includes the call to take responsibility for one another, especially the poor and the oppressed, and to see that no-one is excluded from the essentials of life.

Please see the assembly on Monday.

Tully Cup winners this week.

KS2

Year 5: Isobel S- thoughtful questions regarding racial justice and stretching herself to see the viewpoint of others.

KS1

Year 1: Willow – kind and welcoming to a new child this week.

Year 2

Max's Science work

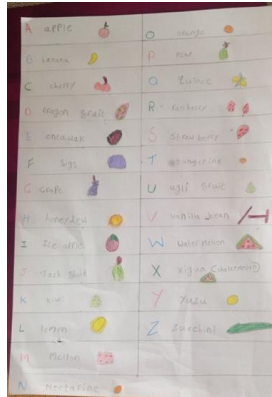

Ruby's fantastic book about flowers

Year 3

Mollie's A - Z of fruit

Lenny's grapes.

Year 4

Elizabeth's artwork

Henry's science experiment

I used 5 different well known fizzy drinks and put 5 very dirty 2p's in each one. I did this to see what would happen to the coins after 24 hours.

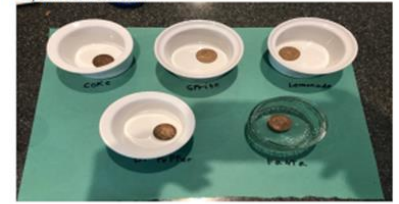

Before I put the coins in the fizzy drinks I predicted what would happen. This is called a hypothesis.

My Hypothesis

I thought the Coke would clean the 2p the best.

The Experiment

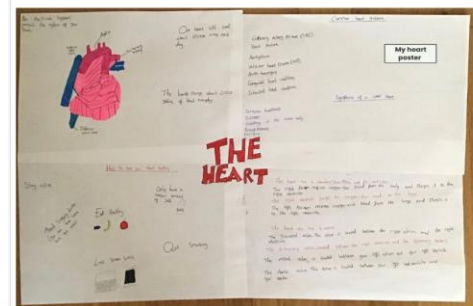

I put each 2p into a small bowl on a piece of larger paper and wrote under each one which fizzy drink was in each bowl.

Year 5

Issy

In response to: Thursday Science
