

## Year 3 Newsletter

Dear Parents and Carers,

We hope you all had a fantastic and restful half term and are now ready for the run up to Christmas! This letter is to provide you information about the new term.

### Curriculum overview:

**Topic (English, Geography, History, ICT, Art, Design Technology):** Gods and Mortals (Ancient Greece)

**Science:** Plants

**Maths:** Place Value, Addition and Subtraction.

**PE:** Netball/ Handball with Coach Christina on a Tuesday and Hockey with Miss Stanton on a Friday.

**RE:** Hinduism

### Reading

Please continue to support your children with their reading at home as much as possible, discussing new vocabulary and themes within the books. We are so impressed with the fantastic progress the children have made so far with their reading and we want to keep building on this.

### Times tables

Please continue to support your child with their times tables. We will continue to do weekly practise in class with the 2, 5, and 10's. We will also start to look at the 3's towards the end of the term. Continue to use times tables rock stars, this is a fantastic way for the children to learn their times tables.

### Homework

Homework will continue to be set on a **Tuesday** to be handed in the following **Monday**. Children will still be given time within class to complete homework if needed. Children will bring home their homework book detailing any homework given.

I do ask that grown-ups encourage their child to complete their homework set each week and support their child where necessary. The input and support you give your child really does have a huge positive impact on their learning and growing.

### General Notices

**Twitter:** Don't forget to follow **@year3lea** on twitter. We try to update daily and it is a great way to see what your children have been doing all day. You will need to gain a form from the office to give details of your twitter account.

**Evergreen:** We are continuing the Evergreen Reward system across school. This is a reward for good behaviour every day. Acceptable and unacceptable behaviour has been discussed and agreed with the children within class.

**Drinks Bottles:** Children are allowed a bottle of water within the classroom. Could you please provide a water bottle for your child. We will ensure they are sent home regularly for cleaning!

**As the weather is becoming colder, please ensure children are bringing their school jumpers and a coat into school each day, which also need to be clearly labelled.**

Any concerns or questions please come and see me. I am always around at the end of the school day by the door where year 3 will exit.

Kind Regards,

Miss Stanton
