

# Year 2 Curriculum Letter

## Summer Term

Dear Parents,

### Topic

Our topic this term is Coastline. This project teaches children about the geography of the UK Coastline and those around the world. In History they will be learning about seaside holidays in the past. They will be learning about maps, keys, symbols and the human and physical features of a coastline. In science we will be learning about plants and coastline habitats.

### Homework

**Reading**- Home readers will be checked using the **BOOM READER** reading App. New books will be given out on Friday's. Re-read the book several times to encourage fluency. See the questions at the back of the book to aid your child at home. Please record every time they have read on the App and should your child finish a book feel free to write in extra books they have read from home. The children are taking it in turns to bring home our reading dog, Bruce. They are loving talking about what they have read and sharing their videos and pictures on Seesaw.

**Maths** - Useful Apps are: Hit The Button, White Rose 1 minute maths and **TT Rockstars**.

**Spelling** - practice the weekly spellings on '**Spelling Shed**' and words they still need to learn on the Common Exception word list.

**Logins** - All children should have logins for **BOOM READER**, **EDSHED (spelling)**, **TTROCKSTARS** & **SEESAW**. If you are missing any, please let me know.

### PE

PE is on a Tuesday and Wednesday. Children will need to have their PE kits in school at all times. A PE kit should include: T-shirt, shorts, plimsolls, socks, tracksuit bottoms and top and trainers. Please label all items of clothing. If your child is wearing tights, please put a spare pair of socks in.

And finally...

I hope your child enjoys this term in Year 2, should you have any concerns or problems please do not hesitate to contact me.
