

## Year 4 Newsletter Summer

Dear Parents, Carers and Children,

I hope you all had a lovely Easter break. I would like to take the opportunity to share this term's curriculum with you and other useful information.

### Curriculum Overview

- English - based on the book 'When the Mountains Roared' by Jess Butterworth.
- Maths - Decimals, money, time and shape.
- Science - Electricity.
- RE - Christianity.
- Geography/History/Art/DT - Based around our topic 'Ancient Civilisations'.
- Computing - Creating Media and Programming.
- French - My Classroom and My House.
- PE - Wednesdays with our PE Coach and Thursdays with Miss Lee.

### Reading

In Year Four, children are encouraged to read **four times per week** in order to receive one sticker.

A big well done to those children who have now reached Blue/Indigo level. Keep up the super reading!

The GoRead app is checked regularly, and stickers are awarded every **Friday**. Please continue to log your reading on the app.

Please make sure children are bringing their reading books into school **every day**.

### Multiplication Tables Check - JUNE

Not long now until the Year Four Multiplication Tables Check. Please ensure children are practicing their times tables as much as possible. Times tables support children in many areas of their maths learning and are therefore essential for future success in Mathematics.

#### **Useful times table games:**

TT Rockstars  
Top Marks - Hit the Button  
Top Marks - Daily 10  
BBC Bitesize (videos and activities)
