

# Curriculum Overview

Dear Children, Parents and Carers,

30<sup>th</sup> April 2021

I hope you have had a lovely Easter break. We will start to look at human impact this term including our Coca-Cola Campaign (ask your child about this!) and our Garden Project alongside investigating the science of sound through the topic of 'Playlist!' Last term we started looking at 'time' - please could you help your child learn to 'tell the time' at any suitable opportunity.

## Curriculum Overview

- Maths - Fractions and shape, including position and direction, and time. Don't forget TT Rock stars!
- Science - Investigating sound plus our Garden Project.
- RE - Learning about 'What is a pilgrimage?'

- Topic (Geography/History/Computing/Art/DT) - Based around our topic 'Playlist' - looking at music around the world and of different genres

## Homework and reading

The children are continuing to work hard on their reading targets, with many aiming for platinum! Well done! Again, thank you for your support - this is having a hugely positive impact on their confidence.

Maths homework will be given out on a Thursday - the children will be given opportunities to complete this in class too - any questions or tricky bits just ask! We will mark it together in the week.

Reading books will be checked and changed regularly and children will be listened to 1:1 when possible by an adult in the class.

## General notices

- PE: This term the children will continue having PE on Thursday with Coach Oliver and dance with Beth on a Friday - please ensure your child has their PE kit in all week **including trainers for outside PE**.
- Children may bring a bottle of **water** only into the classroom. Please ensure it is labelled.
- Please make sure children are bringing their reading books in every day.
- Thank you again for all your support, and if you do need to speak to me or need any further information, please do not hesitate to contact me.

Many thanks, Mrs Ireland
