'Being different, Belonging together'

Monday 9th January

Dear Parents,

Welcome back to Year 6, this term our topic is 'Frozen kingdom', this will focus on the Arctic and Antarctic. Starting off looking at the explorer Ernest Shackleton.

In literacy for the next few weeks we will tapping into the children's interest in Harry Potter.

Seesaw

We will continue to use Seesaw to keep you informed of work done in class. If you have lost your login or are struggling to logged in please come and see me.

Homework

This term, we will be continuing to work through our Year 6 Maths Revision guides and Reading Comprehension books. This will be marked with the children on a Monday Morning.

With new curriculum expectations, it is vital that the children secure their times tables and division facts up to 12 x 12. Regular practice at home is extremely important and the children will be tested weekly using a times tables challenge activity to assess their progress. Please keep playing on Times Table Rockstars.

Reading

Reading at home is essential and tracking on Boom Reader is very useful. During Upper Key Stage 2 children go through a critical transformation as readers. During KS1 & Lower KS2 children are taught to decode, recognise key sight words, comprehend simple texts, and read with some degree of fluency. During Years 5 & 6, it is still important for children to read every day, they must consolidate and extend their basic skills, become fluent, confident readers, build a vocabulary of words and concepts, and most importantly be able to comprehend increasingly sophisticated texts. It is a transition from 'learning to read' to 'reading to learn'.

PE

This term PE will be on a Monday and a Tuesday afternoon.

A reminder that school PE kit should be worn. Suitable footwear is also required for outdoor games. A change of footwear and suitable socks are very important as many of the lessons will be on the field. It is advisable to leave earrings and jewellery at home on swimming and P.E. days.

Please support your child by ensuring they have their named P.E. Kit in school.

Curriculum Overview

RE- Creation and Science.

Topic (Geography/History/ICT/ D&T/ Art)- frozen Kingdom

Science- Electricity

Water Bottles

Please can you send your child to school with a water bottle to keep in the classroom. This will need to be taken home and washed regularly.

We value the role that parents/carers play in education and hope that by working in partnership with you, we will be able to fully support your child's learning and help them to achieve their full potential. Should you have and queries or concerns, please do not hesitate to contact me.

Kind Regards,

Mr S Cook
