Year 5 Curriculum Letter - Autumn Term 2

Dear pupils, parents and carers

It was great to get the opportunity to have a quick chat with you all over the past week. I am so pleased with how well the children have settled into school-life again and how passionate they were discovering about the brain and body for our last topic. I hope that they are as enthusiastic about our new topic this term.

Topic - Stargazer

We will be discovering about the Earth, Sun, Moon and Solar System.

Curriculum Overview

- English - Mnemonics, Myths & Legends, Reports
- Maths - Multiplication and Division
- Science/Computing/Art/DT/History/Geography - linked to our topic.
- RE - Islam - Being Human

PE - Mondays and Tuesdays (with our Coach) - please ensure PE kits are in school at all times and are suitable for the ever-changing weather! A roll-on deodorant is also a useful addition to a Year 5 kit.

Homework -

Reading - children will be expected to read at home 4 times per week (to cover at least 10 pages in each session). If they go Above & Beyond and read for 5 sessions they will receive a stamp towards their bronze, silver, gold and platinum Award for Reading.

Reading Records will be checked every Tuesday morning.

Please ensure reading books/records are brought into school every day.

Times Tables - Secure recall is essential for the development of arithmetic and reasoning skills: please encourage your child to practise using TTRockstars and

<https://www.topmarks.co.uk/maths-games/hit-the-button>.

Maths -Y5 Maths Targeted Practice - a schedule for homework is in the front of your child's book.

General Information

- Please provide your child with a named water bottle.
- Don't forget to follow us on Twitter [@Year5Lea2020](https://twitter.com/Year5Lea2020)
- Keep in touch office@olive-anderson.lincs.sch.uk

Please don't hesitate to get in touch if you have any questions.

Kind regards
Mrs Hearn
